In response to the letter 2nd cited, we here by offer our willingness for the construction of the  
New Office Building of the Society with the following considerations:

- 20/9/22  
AEE (R)  
20/9/22
- 1) We accept the estimates prepared by you for a sum of Rs. 66.00 Lakhs taking into account of the  
PWD Schedule of rates for the year 2022-23. However, we are of the opinion that the estimate  
charges prepared may be reconsidered and reduced wherever possible.
  - 2) The society has already been sanctioned a loan of Rs.52.00 Lakhs from the Coop Research and  
Development Fund (CRDF) for the construction of the above New Office Building. As the  
estimate has now been revised to Rs.66.00 Lakhs, the society has to again seek for an additional  
funds of Rs.14.00 Lakhs from CRDF and arrange to remit it to your construction account.  
Remitting of the entire funds before the commencement of construction work is therefore not  
possible.

Hence, we will remit the cost of construction works in 3 instalments as and when it is released  
from the CRDF by the Chairman / Registrar of Coop Societies, CRDF Committee, Office of the Registrar  
of Coop Societies, Chennai. This is for the favour of your kind information.

Thanking You.
