construction. However, these aspects are covered under the Provisions of the Local Bodies Act.

3. As far as the Structural Stability aspect of the building is concerned, it falls within the jurisdiction of the Local Body concerned as stated in the connected building Rules under the respective Local Body Act, 1920, such as Madras City Municipal Corporation Act, 1919, Tamil Nadu District Municipality Act, Tamil Nadu Panchayat Act. The Planning Clearance issued under the Provision of the Tamil Nadu Town and Country Planning Act, 1971, does not cover the Structural Stability aspect. However, it is the sole responsibility of the Applicant / Developer / Power Agent and the Structural Engineers / License Surveyor / Architects, who has signed in the Plan to ensure the safety during the construction and also for its continued structural stability of the buildings.

4. Issuance of Planning Clearance by CMDA under the statutory provisions does not confirm any ownership or title over the property in favour of the applicant. Before issuing Planning Clearance for any development, CMDA in this regard, checks only the aspect of applicant's right over the site under reference to make the development thereon based on the copies of the documents (such as Sale Deed, Patta, Lease Deed, Gift Deed etc. and GPA) furnished by the applicant along with his / her application to prove the same. Thus, CMDA primarily consider only the aspect on whether the applicant prima facie has a right to carry out development on the site under reference.

5. Any person, who acquires interest in the property shall ensure independently about the ownership and the applicant's right before acquiring the same. Further, if any individual claim right (or) title over the property he/she/they shall have to prove it before the appropriate / competent Court to decide on the ownership or get the matter settled in the Court of Law and CMDA is not the competent authority to decide on this matter.

6. The approved plan is numbered as **Planning Clearance No. C / 15 / A & B / 2022 dated 28.10.2022** and two sets of the same are enclosed herewith for taking further action in this regard.

7. This approval is not final. The applicant should approach the Principal Chief Engineer, Greater Chennai Corporation to issue the **Building Permit**.

Yours faithfully,

for MEMBER-SECRETARY
